Is there interesting news on the paper ?
Someone I know is on .
All of people you know could be on papers any day.
Morning coffee please.
Yes.

This is so nice !
This must be very embarrassing for you, Park, Sin Uoo ! The result of your so-called "perfect social relationships" led you to be marked as an indecent second generation millionaire ....
Hahah, this is so gratifying !
.....

Could you have knocked ? Don't you have any manner ?
I did knock. But you were too busy with something else.

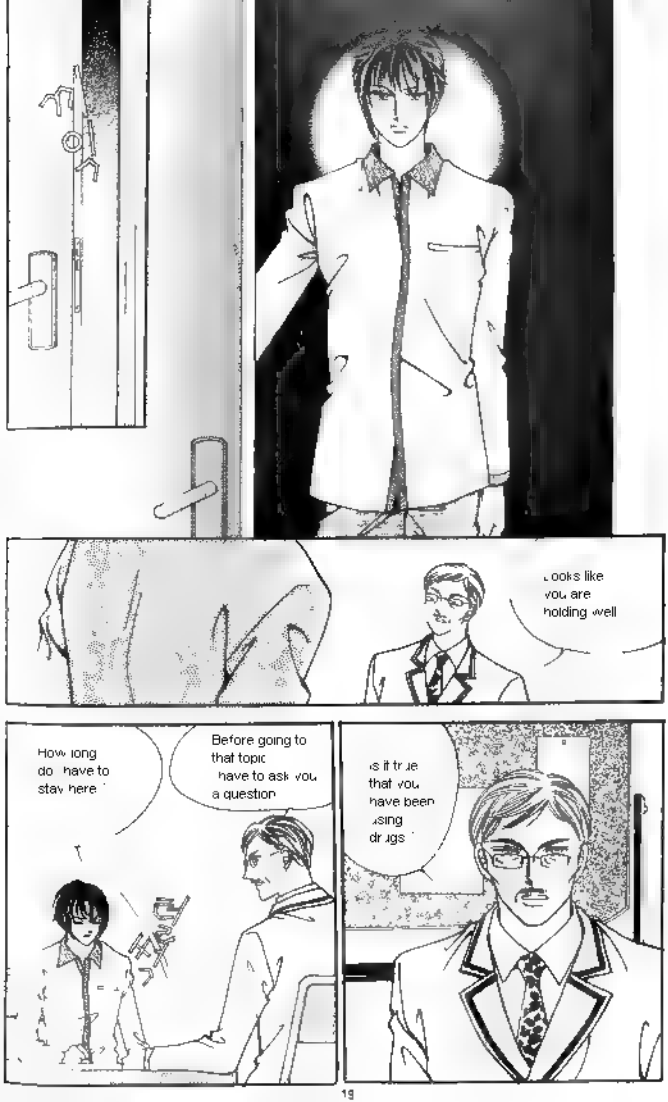
Oh, I am envious. I had no idea that Sin Uoo has made you so elegant ... I haven't seen you like that since elementary school.
Your sarcastic tone is getting on my nerve.
I am sure Sin Uoo's news has made you laugh hard enough. So, what don't you go and use your charm on your grandfather.
He has connections to the media. I am sure he can stop them from badmouthing Sin Uoo.
Why should I do that ? My wish is to watch him burnt to death. I will even bring an air conditioner to watch it to end.
Then do it for Ha Ji.
I refuse. No way would I do anything for that stupid human-pig !
All those embarrassing memories caused by that bitch ...
I'd love to see her burnt to death with Park, Sin Uoo.

Were there only bad moments ?
What kind of answer are you expecting from me ?
Ha Ji ... could well be your only friend probably.
None sense, my only friend ?
I've countless friends around me.
Some are even willing to sacrifice for me.

Yeong In, you know what I am talking about.
They are either your maids or your future business partners.
They would never come near you if your grandfather was not a chairman.
Calling them friends is not proper way to address them.
I don't care ! It's not like I've ever wanted a friend ... Besides, being with a friend like her will only lead to an obvious result.
We will always fight because our opinions don't get along well and I will be the only one who will suffer from high blood pressure.

I will be the only one who will be bothered by her beauty-zero exercise suit. I will be the only one who will suffer from her pig-like appetite. I will get fat !
Fat ?!! Fat on me ?!
Well, I do know what you mean.
I suppose it wouldn't be too bad to hang out with somebody who doesn't do whatever I tell them.



Looks like you are holding well
How long do I have to stay here ?
Before going to that topic I have to ask you a question
Is it true that you have been using drugs ?

Stop kidding me
ou were the only
who made me eat
dr igs when was
in middle school
our intention was
to teach me and
let me experience
that dr igs were not
compatible with my
body
Of course the intense
dizziness and vomit
as side effects were
done by you think
es f you
say you didn't
will tr ast
you
Even though
substances of
dr ig were found
from your hair
will tr ast you

Even though it's been scientifically proven that you did drugs I will trust you
Just don't trust me if you are going to act like that
I suggest you check on the aspirin in my room That's the only source I can think of
Aspirin
I took some for something because of intense headaches But it only got worse Foolishly I thought it was due to stress
Foolishly
Are you implying someone secretly added drug to your aspirin
Someone probably added very little amount so that no one would notice before it's too late

www.jaimes.com

It must be an insider s action
Check those who work in the house Check their bank account for a sudden and large amount of wiretransfer or someone who was in need of a large sum of money
Ou sound very confident about this Do you have someone in your mind
Who is it
Jang Han Seo
The one who s in a hospital now The last son of the Jang why would he

ou are not going to believe me even f tell you
believe you
ou are my only child will believe whatever you say
So tell me
ang Han Seo had his mind on Ha i It looks like he hasn't still given up

The indecent one you brought him before
He is unconscious at the hospital But that s just an act He is trying to make his family target me
He knows what still have strong trauma about Aram s accident He abused that weakness
wasn't deluding The accident was real
was having a hard headache but the drug would never have been enough to make me see delusion It was all an act just to confuse me
Are you saying all was done by Jang Han Seo Just to make you attack
All because of the girl named Ha Ji

He is morbidly infatuated with her
He is someone who can proceed with a suicidal plan numerous times
But all because of the gir
Ha li
don't care even f you don't believe me
No believe you
My son said so Of course believe you

es will check on the last son of the ang as well as your aspirin
Father
Don't worry Leave everything to me
Director Lee want you to do something quietly
es

www.janimes.com

I want you to find a trustworthy psychiatrist with very heavy mouth
A psychiatrist sir
My son is suffering from expansive delusion Before it gets worse he needs to be treated
Do you think it makes any sense that the gang would make a move all because of that indecent girl ?!
What has the bitch done to my son ?! Did she brainwash him or something ?!

don't expect you to believe me anyway
HINESE
It's him, right?
yeah the one who defeated Ha Il

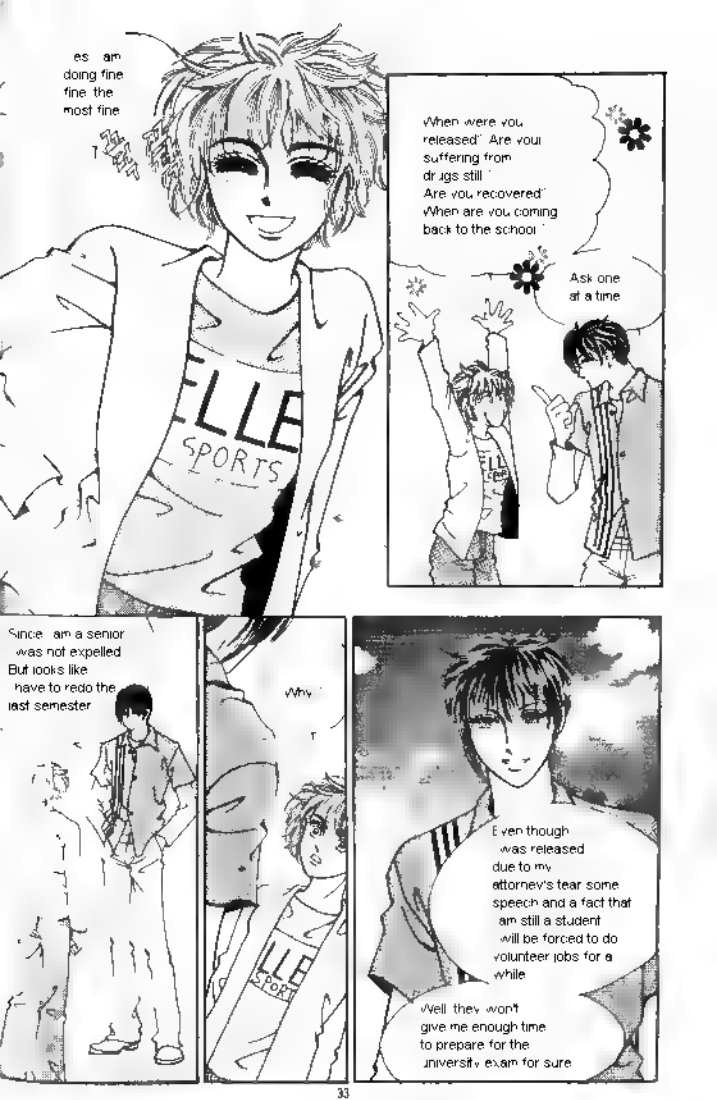
Read this
It says he did drugs
Dude -
If he has that kind
of money to buy drugs
I'd eat until I pass out
Uh ? He
He is the
chairman
Park Han Ho's
son ?!
Then Ha Il's
delusive
mumbling
was true
No way
Why would
Park Han Ho's
son go to
Myeong Seong
high school ?!
See this
it says he
had a fight
with Han Seo
Han Seo is
the last
son of
SamHan
corp

SamHan corp isn't that company what the legendary mob Sang Jin Hui built when he came out of darkside
It's where every diehard gangsters gather
And Han Seo is the last son of their leader
What what am gonna do I called him a nerd when he visited our home
What did was far worse saw him a peercing on only one ear So asked him if he was a gay
Bro !
Ha Da !

Should we run !? Let's leave this country !
Let's grab our emergency fund
The phone's ringing somebody pick it up
Have you two done something horrible again ? You guys are not even answering the phone
3 000 won ?! You call that "fund" ?!
do you even have any money ?!
Sin Uoo !

www.janimes.com

Hey -
You look fine as usual It makes me feel fine



es am
doing fine
fine the
most fine
When were you
released? Are your
suffering from
drugs still?
Are you recovered?
When are you coming
back to the school?
Ask one
at a time
Since am a senior
was not expelled
But looks like
have to redo the
last semester
Why?
Even though
was released
due to my
attorney's tear some
speech and a fact that
am still a student
will be forced to do
volunteer jobs for a
while
Well they won't
give me enough time
to prepare for the
university exam for sure

Hmm
How is Han Seo
is he still
unconscious
Yeah they say he doesn't
have any physical wounds
But something in his head
has gone wrong a bit
His skull was tough as stone
How unlucky for him to hurt
his head
Don't worry
He will wake up
soon if I knew
which room he is
staying I could
have visited him
No
The only time
he will take up
is when his
job is done
ELLE

He is not hurt
Except for itching
he is in a pefect
condition
Are you saying
that Han Seo is
acting
ou don't
have to
trust me on
this
see
So he is
acting

know Han Seo wouldn't pass out just because he fell from a building
Are you saying the accident you saw was not delusion
No he must have used a women dressed up like you
He must have been quite busy for planning all that Are you saying Han Seo is the one who drugged you
yeah through my aspirion I've been taking daily lately
see see

Do you believe me?
Yeah figured something wasn't right in the whole situation see now
for real ?
Of course
Trust me ?

Are you stupid ?! you are trusting me with that none sense story !
None sense ! It sounds pretty convicing to me
For real ?
Thanks

What a girlfriend am being no help
Sin Joo looks like he s on edge Although he doesn't reveal he must have gone through a lot
Hmm looks like I've become Han Seo s worst friend and Sin Joo s worst girlfriend
Sorry Han Seo want to tr ust you until the end But it looks the time is coming have to fear you now
Fear is not something one should feel from a friend So

사랑

ou do see the hour and minute hands that are close to 12 right
es we are even looking at the second hand
And she is yet to come home I've taught her that homing instinct is the most important

How dare she !

She is not home yet
This is her second time
When she spent night elsewhere was because she was released after midnight from the hospital So consider that as an excuse But she has no excuse now
She is going against me for no apparent reason huh
No way she must have a good reason
es like she was kidnapped or something
Kidnapped

AH
Kidnap
Yes she is kidnapped
What kind of poor jackass would kidnap Ha Ji ?
If someone is under the great effect of Murphy's Law it's certainly possible

www.jasmes.com

What do you mean Ha Ji's at the main house
It was an order from the first son A formal declaration so to speak
Why Ha Ji

www.jaanes.com

thought told you not to get your hands on her
Of of course ordered not to be rough with her
Then what is this ?! Can't you control your men properly ?!
am very sorry will find out who did it and punish them

What
Food !

Is she the one that my son called Jang

es

Is she the one who is a girlfriend of Park Han Ho s son

Ih
it is said so

She is the cause of all the troubles between Park Han Ho's son and my son
es that is what heard
Hmm
That being is
게걸
게걸
게걸

Stop her for a second
es
Hey stop eating
I said stop eating !

www.jaimes.com

Ach nevermind will take to her later
Ah Give her any food she wants
es
하아
Are you sure she was the cause of their conflict
understand that it is hard to believe sir
하아
How could he
Well he doesn't like ordinary things

www.janimes.com

Anyway
how could the chairman
Park s son also
Looks like they
both have the
worst taste in
women
Ah
Ieong Hveop you
are here
What some

kind of expected this
while was running to
here troubled fearing
the impossible worst
should have known
The headman cares
for his family a lot
No wonder he did not
harm you
The handsome
middle aged man was
Han Seo s father
right recognized
him at the first glance
Han Seo is going to
be looking good after
he ages
This is not
the time to
play around
Even if they are
not hostile for you
now if Han Seo s
condition becomes
worse you will
be under danger
ou better find a
way to escape
Han Seo s
condition won't
get worse
He is acting

Sun-joo said so
What proof do you have?
You are believing so because Sun-joo said so.
He is a psycho
Hello. Han Seo is just as psycho as he is
You are blinded by emotions toward Sun-joo. So you are going to believe everything he says to you.
But how long have you been with him? And how long have you been with Han Seo? You've been with Han Seo much longer than with Sun-joo

That s why Because I've known him for so long
This accident It s not like Han Seo Seriously do you think a person can change to 180 degree in such a short period of time Recall Han Seo you used to know
Do you really think Han Seo would just let someone hit him and not fight back at all
don't know for sure because wasn't there The judgment is up to you
Han Seo is the one who pushed Sin too to an edge

am not tr sting
Sin too
am tr sting my
own judgement
Are you
really
Ha li
Why does everyone
react like that when
become serious

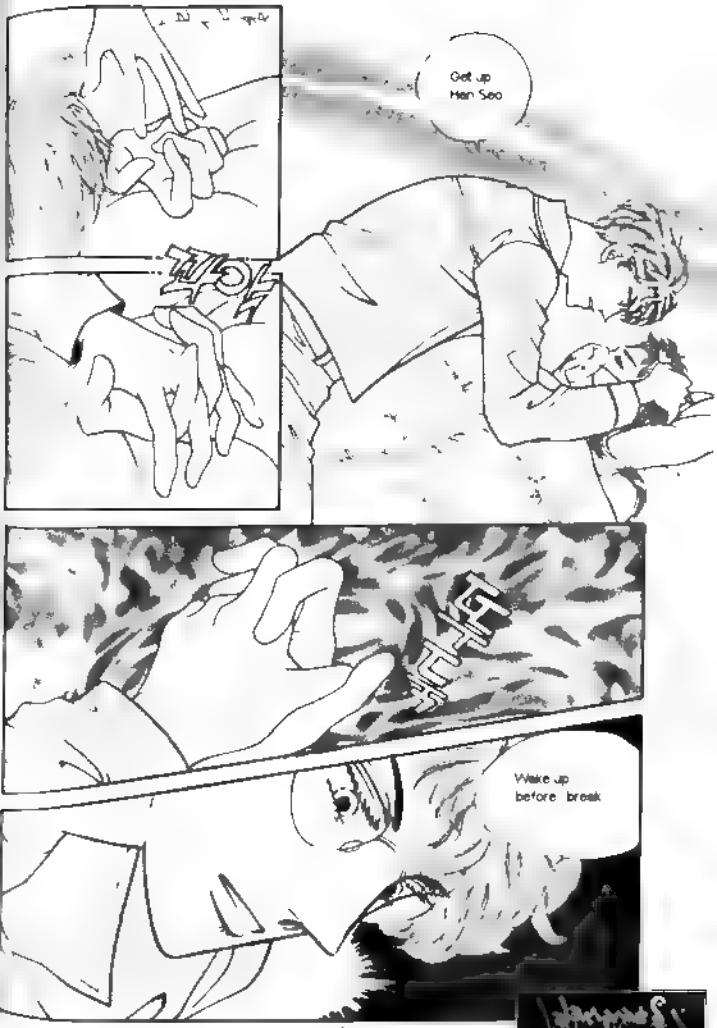
I have to trust my own judgement like you do
I will trust Han Seo
Because he has never lied to me before. It's just as simple as that

It s been over a day
es it s been over a day
f she was really kidnapped they d be in a serious trouble by now
Poor kidnappers
Perhaps an accident happened to her Let s call hospitals around It doesn t make sense that Hali was kidnapped
Accident

NO NO ACCIDENT
WILL NOT JUST SIT
AND WATCH THE BILLS
COMING SHE WAS
KIDNAPPED PERIOD
END OF DISCUSSION
But f she was
kidnapped it s
more serious
It must have been
mobs at least
What f they demand
a large sum of money
for her release
Accident
sounds
better
Are we really her children

Ah
Have a cup of coffee or something will watch for you
Ok it won't take long tend to fall alspee after a meal
Han Seo met Ha li today

our big brother kidnapped her
am not sure how she will be used though
our second brother should be coming back to Korean shortly heard he was shocked by your incident
Well he used to care for you a lot in the old days
Why do you have that mask on is breathing even hard for you
ou look miserable with that mask on
Ha ll said something weird today She said that this is all an act
ou know right that Ha li can be very smart at times



www.jaimes.com

Wake up !

Sorry for
suspecting
you.

yes
know
know that
you don't lie
to me

idiot
Did you really think threatening would work

ou break my wrist
That d never happen not in a million years

A strike ?
In Dae Jeon ?!
They have no reason to enter a strike Are you doing your job right ?!
Find out who is behind this and get my car ready
Has he begun Strangling slowly see
Fax it for now

will decide on creditability of info
So just send everything you have
This is expected results but see few holes
see that Jang Han Seo didn't have enough time
But this is not enough need a critical proof
A critical proof

Sin Uoo !
Director Lee
Ah you are here
The chairman told me to check on you
I am going to increase number of bodguards
What is it
Just stay here
Father he is hurt isn't he
How bad is it

Just some bruises
His car hit a guard rail while trying to avoid a freight truck that crossed central lane
Tell me before I go out there and find out by myself
Don't misunderstand It was just an accident
The truck driver was asleep while driving It turned out that he had been driving for a full day without rest
The chairman was more worried about you

1
It could be just a coincidence
Or if could be planned
Slowly one by one
He may not go as far as death
But he will try to make me feared by hurting those care one by one

No
he cares
for his family
She s my
girlfriend but
at the same time
she is his son s
friend
She s
not home
No think
she is
either in a
hospital or
kidnapped
But no hospital
called home
So
think she s
kidnapped
But no mob called
home for a price
So

Quit talking incoherently and just tell me how long she has been lost
Dude calm down
When was it
After she went out yesterday afternoon
If she was really kidnapped
It could be really serious
Uh that'd make a day and 5 or 6 hours

Dinner is
late
will go and
find out
Sir a message
from the kitchen
They sent somebody
for a shopping
So dinner will be
a little bit late

What ?!
Are you saying
they were not
preparing
father's
dinner ?!
What
But you told
me to give
any food
she wants
HOW

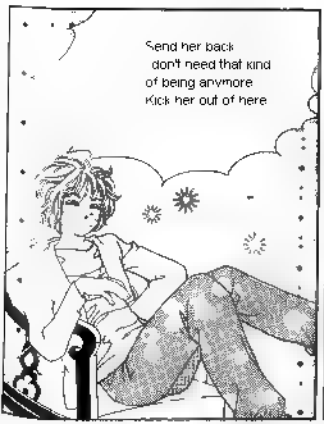
www.janimes.com

What ou might cut food on me any time No way
Sir how long are you going to keep her
It hasn't been planned yet
Im we need to know it doesn't have to be exact
Why do you keep asking that ?!
The the chef said that f we are going to keep her here he will need money for 10 more people

I forgot what happened to the kidnapper who took Hali when she was in elementary school
He surrendered after losing little money he had left
Come to think of it he was really unlucky
He wanted to avoid bankrupt So he kidnapped a kid And unfortunately it was Hali
Well that was because Hali was the easist to lure

will buy
you some
food Do
you want
to follow me
es ♡♡
eah
still
remember
what he said
Ha li was
eating soups
after a day
eah
and the kidnapper
was lighthearted
person So he
let Ha li eat
anything she
wanted
In the end
he lost all of
his money

Since then she became utterly desperate about food
She didn't used to be like that
Right still she used to eat a lot more than any ordinary person would though
Her bear instinct must have been awaken
Eat anything and store fat
Why did the kidnapper surrender anyway
He could have just abandoned her
Ahah right



www.janimes.com

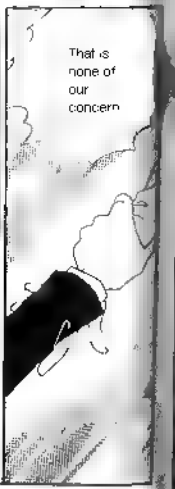
Do you seriously think Park Han Ho's son would go after a woman who eats dirtier than a pig and has no brain
I know it's hard to believe But when I got the info
Park Sin Joo He is a very cunning one I heard Park Han Ho had trained him ever since he was a child He must have learned few old tricks
He probably has someone else in his mind
But he picked that one to avoid attention on his real woman
As long as we bother with that his woman will be safe

Oh
es that s how used to protect your mother
But he was not born in the era
Looks like he is a formidable opponent
ou want me out ?

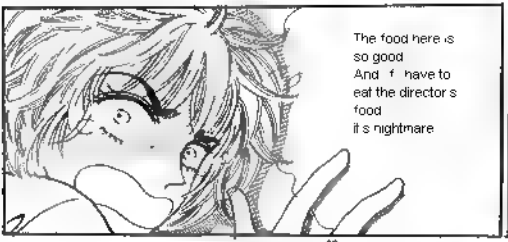
Why - why ?
There are still
so much food left !
Why do you want me
to leave ?!
SPORTS

ou've been
kidnapped and
we are letting
you go
Consider yourself
lucky for walking
out of here with
both arms and legs

No
am not leaving
This place is
Heaven for me



That is
none of
our
concern



The food here is
so good
And if have to
eat the director s
food
it s nightmare

I said NO !

www.janimes.com

Did you get rid of it
es it s on a car right now
was told 7 men were needed to seize it
will find who is Park Sin loo s real woman
Sir there is someone who wants to see you

believe
there is
no appointment
today
An yes
But the guest
is an unexpected
person

State
your business
ou have
some guts
must say

believe you were the one who is behind Daeleon strike
Any idiot can analyze that far State your business
Did you operate father s accident
Well tell me do you have any wiretap on you

www.janimes.com

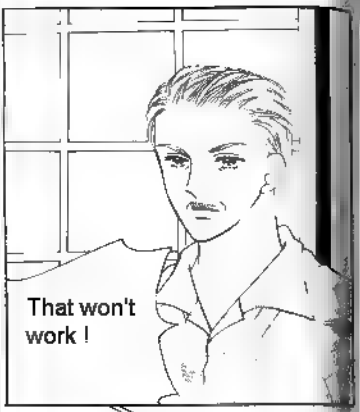
wouldn't dare to come here and settle the conflict with a knife in me
Settle you came here to settle
The chairman Pak would never raise the white flag so soon ou must be on your own
We will talk about settling when my son regains consciousness
Of course after you pay a proper price for what you've done to my son

Would my arm be enough
Sin too

Father !
An arm ?!
f my son wakes
up within a week
fine your
arm will be
enough
Be quiet
ou've been covering
for him too much
ou are partially
responsible
to this whole
situation
No debt is
greater than
losing a family
can make
him wake up
right away

Do you even know what you are talking about ?
Do you trust your son ?
said do you trust you son ?
No one in my family cheats on me

www.janimes.com

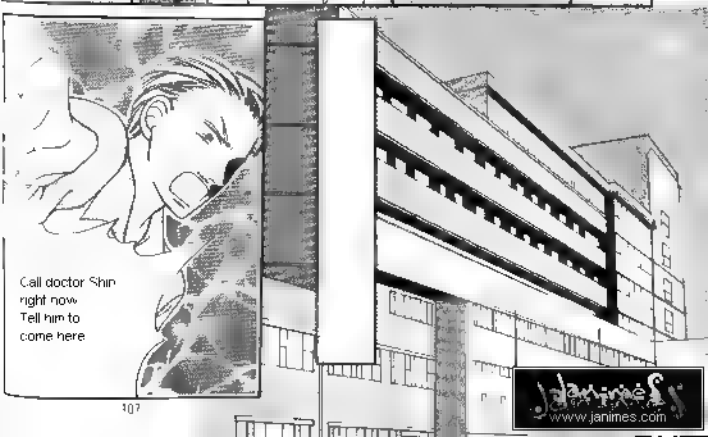


준아!

Before you open this need a witness
A witness
Only then will let you have this case
believe it is Doctor Shin who has been Jang Han Seo's physician
want you to ask him why he chose to go to his own hospital which was 30 minutes away rather than going to nearest hospital which was 10 minutes away

How dare you
Are you implying my physician is a part of the play is that what you are saying ?!
How dare you
Do I have to also give you one of my leg ?

You are speaking truth



www.janimes.com

The private nurse in this room is often not here
Pulse normal heart beat rate normal
think it s mental issue that s keeping him unconscious His physical signs are fine
No matter how many times look at him he is really handsome
Ah Have you heard Doctor Shin was called to there
The mob s place How scary
is it because of him over there
Who knows are they going to blame him for not being able to wake him up

그 억

Sir what has made you so upset
Did Han Seo order you to do it ?
I know you don't have the guts to do this all alone
Was it Han Seo ? Was he the one who betrayed his family ?

Sir
wasn't trying to stand against you sir He said that he'd just stay in bed for few days So
Do have to show you a proof to make you speak

Hui Soo
Bring
Han Seo
to me
es
will
excuse
myself
now

State what you want will grant you one request
Say we will be even if you withdraw the strike in Daeleon
Looks like am going to get something from nothing
That s another story if your father withdraws pressure he has put on our companies and divisions will withdraw the strike
Hmm he sure has a fast hand When did he do that
Then we will discuss later
am not letting you go while owe you one

www.janimes.com

am the seller
think have
the right to
pick a date for
payment
How cunning
Fine go
Ah and
heard you
have my
girlfriend
here

Why don't you let her go now
I know it's not like she's related to me deeply, but she's my girlfriend
We kicked her out of here sometime ago
Kicked
She wouldn't leave
After some intense nose bleed, some of our men managed to tie her up good
She's being delivered now
Wouldn't leave
why

Our chef is national class. Even the president wanted to hire him
Ahah should have known
know what you are trying to do but putting that of woman as a dummy that wasn't a good idea
eh
Don't play innocent don't know who you have behind But you must really love her
Well who am to scold you for that even my father did the same thing to protect mother
But you didn't really have to do that unless of course you do really care about your real one

Perhaps it s because you are young you don't have a good eye for picking women Father used a really beautiful and intelligence woman as a dummy
But your dummy a female pig should have been more convincing Anyone would know that she s a dummy
Yeah what kind of crazed bastard would take her Perhaps you did a good deed for the world
only a crazed bastard would take her right
am sorry about Han Seo He is insanely mean and harsh to one he hates
don't know why you two ended up like this though

www.jaimes.com

Sin Uoo ?
ou've walked
out of there
alive
Thank you God
What
what s
wrong
Are you
hurt
No
it s nothing
tok tok ..

It's just that my tention has become loose

Father don't blame Han Seo too much It's my fault that I haven't corrected his childish character
So
It was empty from the beginning

How cunning
We've been
fooled
But even a cunning
child like him couldn't
find a critical proof
and had to come up
empty handed
It shows that Han Seo's
play was just as cunning
as his
Now
that's my son !
하하하

Sir,
this call is
from the
hospital !
He has
disappeared
from the
hospital !

www.janimes.com
